Introduction

The NSS unit of Velammal Engineering College organized the *ECO-NOMICS 3.0* event. This initiative spanned 100 days to plant trees to establish a green and safe environment.

DURATION: 1/2/24 – 11/5/24

MODE OF CONDUCT: OFFLINE

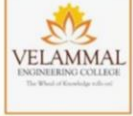

Objectives

- 🌲 To promote environmental conservation through daily plantation activities.
- 🌲 To foster reforestation efforts by planting a variety of trees.
- 🌲 To encourage agricultural sustainability through community engagement.
- 🌲 To provide a practical way to make a positive impact.
- 🌲 To unite volunteers in a shared goal of environmental sustainability.

About the program

- ❖ The NSS Unit of Velammal Engineering College initiated the 100-day series focused on environmental activities.
- ❖ This event involved a daily schedule where volunteers engaged in plantation tasks to promote conservation and sustainability.
- ❖ This event comprised volunteers planting various trees based on the location and engaging in activities like digging, planting and watering.

- 🌲 This event drew volunteers from diverse backgrounds, including residents and students.
- 🌲 This daily plantation event united communities to create a positive environmental impact.
- 🌲 Overall, the event served as a practical way for people to come together and contribute to a greener future.

Conclusion

The "ECONOMICS 3.0" was organized successfully with the wholehearted contribution and active participation of the volunteers. This event was an initiative to practice and promote afforestation.

"He who plants a tree, plants hope."
